Theology on Tap Resumes in May

Once a month or so we meet at the home of one of our members to discuss theological topics with a few snacks (beverages optional). It's a great time, with the possibility of deep discussion. It's not a "teaching" kind of thing, except in the sense that we all learn from each other. It's a chance to gather around important and interesting questions, learning more about each other and our views of God in the process. The next opportunity to participate in a Theology on Tap discussion happens on **Saturday, May 19th @ 7:00 p.m. (Location TBA).**

Attendees are invited to bring snacks and beverages to share!

These characteristics stress that the church act ecumenically for the sake of the world, not for itself alone.

ENDOWMENT INTEREST NEWS: *Second Edition*

You may be unfamiliar with the SOV Endowment Fund or have wondered what it is. Let us look at the definition of Endowment by breaking it down into two words Endow and Endowment.

The Dictionary definitions of Endow are to "furnish with an income", or "to make a grant of money providing for the continuing support."
 The Dictionary definitions of Endowment are "the act of endowing," or "the part of an institution's income derived from donations."

The SOV Endowment Fund then is a repository of gifts given to the church which are permanently retained to provide an income for the mission of the church from the interest income of the fund.
