# Just some good old fashioned fun!

## **Indoor Obstacle Courses**

- with pillows to walk on, tables to crawl under, canned goods to zigzag through, hula hoops to crawl through, stuffed animals to hop over.

## **Mud Hole**

- Dig a hole in the dirt and make mud for toy cars and plastic animals; then make a car wash area with a bucket of soapy water to run their cars through and clean them or bathe their animals in after the mud.

## Ring Toss

- Turn dining chairs upside down and use the legs of the chairs for a ring toss.

## Scavenger Hunts

### What Do You See

- Find three objects in the house that are...blue, smooth, start with the letter 'H', make sound, light up, etc.
- Find objects outside such as certain flowers, birds, bugs, animals, colors, etc.

### What Do You Hear

- Name five things you hear while in the house.
- Name five things you hear while outside.

## Water Works

- Fill a bucket with water and let the kids use full size paint brushes to paint everything outside with water.

## Popcorn Party

- Set a clean sheet out and pop popcorn in an air popper with the lid off so it flies up and lands on the sheet. They can eat it, string it or put it in a bowl and run the kitchen water over it (garbage disposal side ) and watch how much it shrinks.

## Marshmallow City

- Use toothpicks and marshmallows to build structures.

## Corn Hole

- Make homemade bean and/or rice bags for bean bag tosses into laundry baskets.

## Bath Clouds

- Let your kids play with sensitive skin shaving cream in their next bath. It won't hurt the tub or tile walls and it's so fun.

## Patio Picnic

- Have a picnic in your backyard or living room with cute finger foods you and your kids make together.

## Reading Nooks

## Design and Play

### Mouse In The House

#### Design

1. Draw a mouse and let a little one color it.
2. Draw 4 or more houses. They need to be large enough that the mouse can be hidden underneath. Have your little ones color each house a different color.

### Play

1. Lay the colored houses down on the table, floor or any flat surface.
2. Choose one person to hide the mouse behind a house (be sure no one sees which one).
3. Choose one person at a time to pick a color (eg. the green house).
4. Sing together “Little mouse, little mouse, are you behind the...(chosen color)...house”?

Repeat steps 2-4 until the mouse is found.

## Shapes

### Design

1. Draw shapes (square, rectangle, circle, triangle, oval, crescent, trapezoid, etc.).
2. Let your little ones color each shape.
3. Help your little ones cut out the shapes.

### Play

- Use the shapes for limitless fun such as naming all the shapes or to help find items around the house that have the same shape (just point to the items, name the items, and/or collect them).
